Mount Pleasant AME Church
235 Tollgate Road
(1 mile west of Reisterstown Road)
Owings Mills

This is a rectangular brick church with a vestibule, a nave three bays deep, and a small meeting room at the rear. The vernacular style church has pointed-arched windows of stained glass and a gable roof covered with green rubber roofing. It is in excellent condition. The cornerstone reads "1884/A.M.E." but this building was in recent years (before 1973) sheathed in fresh new brick. The land was purchased by the trustees of Bethal Church in 1867. There is a cemetery adjoining the church.
